# BUDGET MESSAGE

Honorable Chairman and Members of the Parish Council,

I am pleased to submit for your review and consideration the Proposed Operating Budget and Capital Project Budget for the fiscal year ending December 31, 2023, for St. Landry Parish Government.

The Council will be asked to introduce 2023 proposed budget at the council meeting on March 15, 2023. The Council will have a public hearing and receive comments or recommendations from the public on April 19, 2023. Immediately following, the Council will be asked to approve and adopt 2023 proposed budget. The 2023 adopted budget becomes effective immediately.

As required by law, this is a balanced budget. The 2023 annual budget was prepared based on past operating history and the projected needs and changes of the upcoming fiscal period. The annual operating budget includes the general fund and general fund types, special revenue funds, and capital project funds.

## **General Fund**

The general fund accounts for resources traditionally associated with government and are not required to be accounted for in another fund. The general fund types are accounted for separately at the fund level but consolidated for audited financial statements.

## **Special Revenue Fund**

The special revenue funds account for the proceeds of specific revenue sources that are restricted or committed to expenditures for specific purposes.

**Road and Bridge Maintenance Fund** - Accounts for funding received for maintenance and upkeep of the parish road systems. Financing is provided by the State of Louisiana Parish Transportation Fund, Racino slot machine tax collected, state and federal grants.

**Health Unit Maintenance Fund** - Accounts for funding received to operate and maintain several health units located in the Parish which provide health and welfare services to the citizens of the parish and animal control. Financing is provided by ad valorem taxes, state revenue sharing and reimbursements from the state.

**Road District No. 1 Sales Tax Fund** - Accounts for the proceeds of 2% parish sales and use tax which is dedicated to covering the cost of repairing, constructing, improving, and maintaining roads and bridges in the unincorporated areas of St. Landry Parish and to fund the repayment of Sales Tax Revenue Bonds, Series 2014.

**Airport Maintenance Fund** - Accounts for funding received to operate and maintain the St. Landry Parish Airport. Financing is provided primarily from federal and state grants, rental income, fuel sales, and general fund transfers.

**Workforce Innovation and Opportunity Act Fund** - Accounts for funding received by the Louisiana Workforce Commission to administer the workforce development programs in St. Landry, Acadia, Evangeline, Iberia, Lafayette, St. Martin, St. Mary, and Vermilion Parishes.

### **Non-Major Special Revenue Fund**

Jail Maintenance Fund - Accounts for funding received to operate and maintain the parish jail. Financing is provided primarily by ad valorem taxes and state revenue sharing funds.

Road District Maintenance Funds - Accounts for funding received for the construction and maintenance of roads located within each respective road district. Financing is provided by ad valorem taxes levied against properties located within the districts and by state revenue sharing funds.

Delta Grand Maintenance Fund - Accounts for funding received to operate and maintain available to maintain the Delta Grand Theater. Financing is provided by Sales Tax Dedication of a Hotel Motel Occupancy 4% Tax in St. Landry Parish.

Veterans' Memorial Fund - Accounts for donations received for the purpose of constructing a Veterans' Memorial Building and Park.

Coroner's Operational Fund - Established by Louisiana Revised Statute 33:1572(B), and accounts for funds collected and remitted by the sheriff or clerk of court for the purpose of defraying the operational costs of the coroner of St. Landry Parish.

First Hospital District - Accounts for funds to establish a French immersion center in promotion of economic development in St. Landry Parish.

Community Action Agency Programs – Accounts for financing provided by federal, state, and local funds to conduct various community service programs to better the conditions for people of St. Landry Parish.

### **Capital Project Fund**

The capital projects funds account for the financial resources received and used to acquire, construct, or improve capital facilities not reported on other governmental funds.

Road District No. 1 Construction Fund - Accounts for the cost of construction and resurfacing of the rural roadways of St. Landry Parish in association with the Smooth Ride Home Project.

I hold my commitment to offering a responsive government and using our public monies wisely and efficiently on priorities that address our basic and most pressing needs in St. Landry Parish. This budget reflects the projected revenue from dedicated sources – ad valorem tax, sales tax, Racino revenues, licenses and permits, state revenues and federal revenues used to fund Parish Government offices, functions, services, and capital improvement projects.

In the last two years, our office was able to utilize American Rescue Act funding to invest a significant amount of money in St. Landry Parish to make necessary repairs to infrastructure across the parish, such as courthouse water sealant window replacements, jail renovations and expansion, road maintenance and repairs, bridge repairs and improvements to road drainage.

I plan to continue the Parish's relationship with the Acadiana Planning Commission, our local State Representatives, Senators, other state officials, and other governmental entities to continue to bring in more funding and grant opportunities to St. Landry Parish.

We will continue to invest in St. Landry Parish for the upcoming 2023 fiscal year by focusing on the following projects:

- ❖ Improvements to St. Landry Parish's Public Buildings and Facilities
  - Renovations to the courtroom located on the 3<sup>rd</sup> floor of the courthouse
  - Installation of new roof on several Parish buildings
  - Repairs to Community Action Agency building
  - Installation of handicap ramp in front of the courthouse
- ❖ Improvements to St. Landry Parish's Transportation Infrastructure
  - Parish-wide Road repairs
  - Bridge replacement and repairs
  - Roadside drainage improvements
- ❖ Improvements to the St. Landry Parish Airport
  - Airport Fencing Project – Phase 2
  - Obstruction Removal Project
  - Runway Rehabilitation
  - Construction of additional hangers
  - Airport building repairs
- ❖ Development and enhancements to Parish Community Parks and Recreational Facilities
- ❖ Enhancement of the Second Chance Program with funding from the Opioid Settlement

This budget sets forth the priorities of this administration. Preparation of the annual operating budgets is a shared responsibility of the Director of Finance, Director of Human Resources, and the finance department staff, with projections of program expenditures and needed improvements provided by department heads.

I want to thank all the employees who work tirelessly in their services to the people of St. Landry Parish. With full cooperation from the St. Landry Parish Council, St. Landry Parish will continue to move forward and improve the quality of life for the residents of St. Landry Parish.

Thank you for trusting me to be your Parish President, and the best is yet to come.

Respectfully,

Jessie Bellard  
Parish President
